Ms. Patt Franc
2003 NTP Chair
Federally Employed Women
P. O. Box 399
Conifer, Colorado 80433-0399

Dear Ms. Franc:

I would like to thank you for your kind invitation to our agency to participate in the Federally Employed Women's (FEW) 34th National Training Program in Chicago, Illinois, July 7-11, 2003. The theme for the program, "Building Tomorrow's Leaders Today," definitely peaks an interest in what the workshops will be about and I am sure they will be well received by all who attend.

The Drug Enforcement Administration (DEA) will support your very worthwhile national training program by sending employees to attend the training sessions and encouraging their participation in the Department of Justice's (DOJ) pre-conference forum. We will also share the DOJ recruitment booth at the conference. The EEO Staff at DEA Headquarters and DEA's Chicago field office will be among the agency's participants at the FEW Conference.

We wish you much success with your 34th National Training Program.

Sincerely,

John B. Brown, III
Acting Administrator
