CITY OF CHICAGO

RICHARD M. DALEY  
MAYOR

GREETINGS

As Mayor and on behalf of the City of Chicago, I am pleased to welcome all those attending Federally Employed Women's (FEW) National Training Program.

FEW is an organization dedicated to eliminating sex discrimination in the Federal Government and enhancing opportunities for women. For 34 years, the organization has provided a national training program that has grown from a small convention in the Washington D.C. area, to a truly national gathering with thousands of attendees. Still, FEW's training program strives toward the same essential goals as it did in 1970. The conference works to educate women on workplace regulations, helps them better plan their careers and tries to increase their awareness of workplace issues that impact women.

I commend FEW for your efforts to advance the cause of equality in the workplace and improve opportunities for women.

May all of you have an enjoyable and memorable conference.

Sincerely,

Mayor
