Dear Mrs. Wolfe:

This is in response to your letter of January 10, regarding your Association's 34th Annual National Training Program to be held in Chicago from July 7-11, 2003.

I appreciate your taking the time to bring your program to our attention. As you may be aware, the Postal Rate Commission is a very small agency and has no agencies under its purview or field offices. However, I have asked our Administrative Office to bring your Program to the attention of appropriate individuals who may benefit from your training program and, in return, benefit the Commission.

Sincerely,

George Omas
